Description:

The power to activate your genetic potential for maximum quality and quantity of life is in your hands. The Golden Ratio Lifestyle Diet is Natures

universal code for robust health and longevity. The Diet is based on a fascinating formula--the Golden Ratio--that when applied to anything, creates greater beauty, unity, efficiency, value and success--a greater whole exceeding the sum of its parts. This formula guides the structure of matter and movement of energy throughout the Universe. The benefits are staggering and transformational: the manifestation of your full potential for robust health and longevity. Through the Golden Ratio Lifestyle Diet, you'll learn how to upgrade your body's structure, movement and energy to higher levels. Countless geniuses, including Da Vinci and Einstein, knew the Golden Ratio's secrets and expressed them in their life and work. This book takes up where these geniuses left off, bringing the unlimited power of the Golden Ratio into the world of health and longevity.

a little too technical for me but very informative
