Description:

“La salud perfecta, pura e invencible, es un estado que hemos perdido. Si lo recuperamos, recuperaremos el mundo”. Viaje hacia el bienestar agrupa las principales ideas de Deepak Chopra y las organiza de tal manera que crean un auténtico viaje trascendental hasta el bienestar. A lo largo del camino, descubriremos que los pensamientos y sentimientos pueden, en realidad, cambiar nuestra biología. Aprenderemos a superar las

limitaciones autoimpuestas que crean negatividad y enfermedades, y a buscar ese lugar en nuestro interior que está alineado con la inteligencia infinita del universo. Al terminar este libro, nuestra consciencia habrá sido alterada por la experiencia misma del viaje. Ese cambio tiene el enorme poder de transformar nuestras vidas, y de bendecirnos con los dones de la paz permanente y de la salud ideal. Las últimas páginas contienen además técnicas para la Meditación Concentrada, que nos permiten acceder al espacio silencioso que existe entre nuestros pensamientos y explotar la sabiduría interior que hará realidad nuestros sueños.

Great book. Highly recommended.
